## **Become a Foster Family**

Prince Albert Grand  
Council  
Community  
Provider  
Recruitment  
Initiative

Prince Albert Grand Council (PAGC) has recognized that First Nations and Métis children are disproportionately represented in the foster care system.

PAGC Child Care and Education Centre has initiated a new pilot project in partnership with the Ministry of Social Services to enroll more Indigenous foster parents.

Children in care need more than a safe home to live in while their parents work to resolve their issues, they need good role models.

*History will judge us by the difference we make in the everyday lives of children.*
