

COVID-19

STOP THE SPREAD

2 Meters

Start Social Distancing

Online games with friends

Meeting up with friends for game night that seem "healthy"

Going for a car ride to get out of the house

Going for a drive with people outside your household

Taking kids for a bike ride outside while keeping distance from others

Letting kids go on play structures or with other kids outside the household

If you **have been instructed to self-isolate** to stop the spread of the virus, you should also separate yourself from those in your household.
